

Elevate your offerings with a consistently delicious bean-to-cup experience

Serenade® Single-Cup Brewer

With the We Proudly Serve Starbucks bean-to-cup experience, you can keep your employees coming into the office with freshly brewed coffee from Starbucks, the nation's most familiar coffee brand.¹

Today's
employees
expect
fresh,

quality coffee

And if they can't find what they want,
they'll leave the office to get it.

Coffee in the workplace has
shown to **increase productivity.**²

Keep employees engaged on-site with the coffee they know and love

The Serenade® Single-Cup Brewer uses innovative brewing technology to deliver a consistent cup of quality coffee. The inviting, intuitive interface makes the ordering process easy and touchless.

Complete the experience with We Proudly Serve Starbucks®-branded cups, sleeves and merchandising.

How the bean-to-cup experience comes to life

With the push of a button, perfectly roasted whole beans are freshly ground and blended with filtered water at the precise temperature to ensure that every sip has the fullest flavor. The result is an impeccably brewed cup of coffee, dispensed in as little as one minute.
